Our community has encountered many challenges in recent years and it is thanks to the generosity and support of organisations like the Freemasons and people like David & Patricia Setchell that we have been able to overcome them."

## **Fenland Farmers' Lodge supports mental health charity**

The Fenland Farmers' Lodge presented a cheque for £2500 to CPSL Mind at their Peterborough office. This money was raised during Tim Smith's time in the chair and included money raised by Gordon Easton's museum and help from the Bethel Scheme.

CPSL Mind is a Charity supporting positive mental health for residents of Cambridgeshire, Peterborough and South Lincolnshire. Gary Sutcliffe, Fundraising Manager at CPSL Mind, said:

"I am delighted with this generous donation - we are all so grateful to the Fenland Farmers' Lodge, Tim Smith & Gordon Easton. It will be well used to help us to help local people in their recovery from mental health challenges."

"Mental Health is as relevant and as prevalent as ever as we exit the pandemic and fundraising like this will allow us to develop and grow our key services, to support individuals and communities and have a very real impact. Last year we provided direct mental health support to more than 4,300 local people and we are always trying to reach more. This donation will support us in our goals."
